At Council's Ordinary Meeting held on 24 October 2024, Kathy Norley asked the following question which was taken on notice:

*Who is responsible for bush clearing in South Golden Beach and Ocean Shores – Council or the fire brigade?*

**Response Director Infrastructure Services:**

Staff spoke to Kathy Norley directly on Thursday 24 October 2024 and provided her with a map showing land tenure around South Golden Beach.

It was confirmed that the primary area of concern was privately owned land under management and control of the Fern Beach Estate Body Corporate.

Staff advised Kathy that where there are concerns about fuel management these are best directed in the first instance to the NSW Rural Fire Service.
